

# JUNE NEWSLETTER

## COVID UPDATE

I would like to thank all our patients for their continued support and understanding in these difficult times.

We are delighted to announce that we were one of the first dental practices in Bromsgrove to re-open our doors on the 8th June to provide face to face dental appointments.

In line with Government guidelines, initially, there will be **NO ROUTINE TREATMENT** carried out as we need to firstly prioritise our backlog of patients needing emergency treatment.

It is important that patients do not come to the practice without first **TELEPHONING TO SPEAK TO OUR TEAM**

If you do need to come and see us a Dentist will telephone you first to discuss your treatment.

## YOUR FUTURE VISITS

On your future visits you will find a few things are different.

- When you arrive please stay in your car, we will call you when we are ready to see you.
- On entering the practice your temperature will be taken.
- You will notice staff are wearing more PPE for both our and your protection.

I look forward to welcoming you as we enter this next phase and in the mean time.

Stay Safe

Daniel Bedford and the Team
